Subject: Approval of Plan & Estimate for plantation work under MGNREGA.

Sir/Madam,

With reference to the subject cited above, I have the honour to bring to your kind notice that out of 99 VEC's under Dadenggre Block ,81 VEC's have been issued work order for plantation work in the month of May-June (being the season for plantation in Garo Hills Region). Accordingly the estimates were prepared as per rate given below which was as per rate approved by Directorate of Horticulture Memo No HORT/D-488/ t-I(A)/2016-17/277 Dated 1st November,2017, and saplings have also been procured from local suppliers and distributed to concerned VEC's , and subsequently the saplings were planted.

However, consequent upon the letter issued by MD, SRES vide letter No. SRES/MEGH-595/2019-20/Pt-III/429 Dated 22/07/2021, the existing rate of saplings notification have been removed from the SECURE Software page by SRES following which for 9 VEC's namely- Durigre, Sategre, Bikonggre, Dinganpara, Chisikgre, Rangsagre, Rabong Sangsilgre, Kantananggre and Diringgagre.

Work order could not be generated prior to removal of the said page by SRES on account of both the Junior Engineer having suffered from Covid19 during the month of June-July, as they have undergone prolonged Home Isolation and recovered late.

Now, on the premise cited above, despite having implemented the plantation work, these 9 VEC's are not being able to get the work order, consequently fresh work order also cannot be issued for subsequent job demands.

I, therefore request you to kindly grant special approval for those 9 VEC's to execute the work at the rate given for other VEC's under Dadenggre as well.
