Subject: Request for additional mandays for the Upper Gasuapara VEC.

Sir,

In inviting a reference to the subject cited above, I have the honour to lay below the following lines in respect of Lower Gasuapara village which is facing acute water scarcity problems for favour of your kind consideration and necessary action.

That sir, Upper Gasuapara VEC comprising of 210 households is a water stressed village devoid of any natural source of water. It has been a perennial issue which they want to resolve, more so, the issue is severe in winter months. The women folksUnder MGNREGA in the present Financial year they have exhausted their mandays in water related activities by taking up construction of check-dams across the x – stream with the hope that this will ease out their water scarcity issues. However, the project could not be completed due to the fact that there was a technical error in the estimate which was detected later.

That sir, the project under taken by the said VEC was significant and has the potential to solve their water scarcity.

In view of the above, I would like to request your goodself for additional mandays for the aforesaid VEC over and above their 100 days by taking up the matter with the appropriate State Officials. If necessary, the said mandays can be adjusted in the next financial year. Alternatively, the aforesaid project may kindly be allowed to be completed by way of additional funding from other sources or by way of Convergence with other line departments.

The revised plan and estimates have been enclosed herewith for favour of your needful.

This is for favour of your kind information and necessary action.

Yours faithfully,

Block Development Officer,
Chokpot C & RD Block,
South Garo Hills.
