Of late, proposal(s) on deputation of Officers for training course is/are being submitted to the Personnel & A.R. (B) Department very late and with very limited time before the training is due to start and thus putting the Department in a very tight position as the case/matter could not be processed/examined in a proper way. Henceforth all proposals for deputation on training either in India or abroad should be submitted to the Personnel Department in time, i.e. at least 15(fifteen) days before the start of the training/before the last date fixed for submission of nomination papers to the Government of India along with all particulars, etc., is envisaged in the standing instructions. Any late submission of such proposal(s) and without full particulars will not be entertained and it will be the responsibility of the Department concerned in case, such proposal(s) is/are rejected resulting in the loss of seat(s) to Officer(s) of the State in the Training Institute(s).</p>

It has been observed that most of the Departments of the Government do not obtain the approval of the Personnel & A.R. (A) Department for deputation/temporary transfer of Non-gazetted State Government employees under their control to Companies, Corporation or to other Departments of the Government. It is clarified that the approval of this Department is required for all cases of deputation both in respect of Gazetted and Non-gazetted Government employees and all such cases should be referred to for approval. Also, concurrence of Finance Department should also be obtained in all matters.</p>

*O.M. No.PER
273/71/20, dt.
30th Sept 1972*

“In recent past several instances have come to the notice of the Government of India where a Government servant applied for a foreign assignment in response to an open advertisement by that government and get selected without any reference to the Government of India and in some cases to the Government of concerned States. Eventually when the question of the release of the concerned official was considered, the Government of India was placed in an embarrassing position as the release of the officer was not in accordance with the existing policy of the Government for selection of personnel for foreign assignments”.

“It is not conducive to discipline for Government servants to seek employment elsewhere using their position under the Government as a spring board to better their prospects outside Government. In case a Government servant under the Government of India wishes to apply directly for a post outside the Government he has first to resign from his post under the Government. The State Governments, etc, also requested to consider the desirability of issuing similar instructions, if not already issued, particularly for foreign assignments forbidden their employees to apply direct to foreign Government or agencies. They should, instead apply to this Department through proper channel”.

**Participation in training programmes in various
Training Institute in India and abroad**

6. At present Officers are being deputed to undergo training abroad, sometimes without consulting the Chief Secretary. The Chief Secretary as the head of the administration ought to be consulted in such matters of importance. It is, therefore, necessary that even in respect of proposals for such deputation abroad which are processed directly by the Administrative Departments concerned without consulting the Personnel Department, approval of the Chief Secretary should be obtained.
