**Preferential treatment in the matter of absorption/appointment of the retrenched personnel of Relief & Rehabilitation Department.**

*O.M.No.PER.7  
0/72/ Pt./3, dtd.  
5<sup>th</sup> June, 1972*

6. In the matter of absorption/appointment of the retrenched personnel of the Relief and Rehabilitation Department, Government has decided as follows :-

	<p>(1) Persons who were already employed under the government but who were allowed by their parent Departments to function in respect of posts in the Relief &amp; Rehabilitation Department will return to their former posts on being retrenched by the Relief &amp; Rehabilitation Department.</p> <p>(2) Out of the existing vacancies of Lower Division Assistants and Typists in the Secretariat and Directorates; some are to be filled up by absorption of retrenched personnel of R&amp;R Department.</p> <p>(a) Lower Division Assistants in the Secretariat:- The reservation for retrenched personnel of R&amp;R Department is as follows :-</p> <p>(i) In respect of Khasis and Jaintias it will be four out of their quota of 13.</p> <p>(ii) In respect of Garos it will be the difference between their entitlement as par Government policy in reservation of posts and the number of Garos actually recommended by the Selection Board.</p> <p>(b) As regards Lower Division Assistants in the Directorates and Typists :-</p> <p>The reservation will be on the same lines, namely, in respect of Khasi and Jaintias it will be 4/13 of the quota for Khasi and Jaintias and in respect of Garos the difference between the quota meant for them and the numbers of Garos actually recommended by the Selection Committee.</p>
<p><i>O.M.No.PER1 99/74/12, dt. 23<sup>rd</sup>. July,1975</i></p>	<p align="center"><b>Absorption of tribal employees serving in other Governments into the Secretariat and other offices:-</b></p> <p>7.1. In most cases the present method of filling up of posts in the various services in Meghalaya is either by absorption of employees</p>

from the Government of Assam or by direct recruitment. Most of the eligible tribal employees for absorption from Government of Assam belong to Khasi and Jaintia communities and there are very few Garos available under this category. In order, therefore, to partly make up the deficiency in the number of Garos and to give them due representation in the services, the Government after consideration have decided to absorb more Garo employees working under other State Governments or Central Government.

7.2. The following procedure is therefore laid down in this regard and the same should be strictly followed :-

- (a) Garo employees working under other State or Central Governments, as may be suitable after due consideration and who are willing, may be brought on deputation to similar level of posts at the initial instance, but without deputation allowance. Their pays will be fixed in the scales of the posts under the normal rules. Those who have already been brought on deputation before issue of these orders on their own scales of pay with or without any deputation allowances will continue to be on such deputation until they are reverted to the parent Government or until final orders of their absorption are issued. On such absorption, their pay in the State scales applicable to such posts will also be fixed under the normal rules.
- (b) After watching the performance of such employees for a period of one year, a decision may be taken by the respective departments to absorb them in Meghalaya, if there is nothing adverse against them. To avoid discontentment later to such employees, the concerned departments should at the very initial stage satisfy themselves that the employees are prima-facie suitable for eventual permanent absorption before requisitioning their services.
- (c) Those accepted for absorption, may be absorbed with the consent of their parent organisations with effect from the date of issue of orders.

(d) After absorption, all the past continuous service rendered by an employee, up to the time of absorption, in the Central government or other State Governments, may be considered for pension, leave, etc., according to the relevant rules in consultation with the Finance (E) Department.

(e) The seniority of the person so absorbed in the cadre will be determined with effect from the date he/she started serving under the Government of Meghalaya including the period spent as a deputationist so that he/she will rank junior to the junior-most person in position at that particular time.

7.3. In exceptional cases, the procedure as indicated above may also be considered in consultation with Personnel Department in respect of Khasi-Jaintia employees who have already been brought over on deputation from other State Government and Central Government.

7.4. All Administrative Departments and all Heads of Departments are directed to incorporate necessary provisions in their Service Rules. For framing or modifying the existing Service Rules, the Meghalaya Public Service Commission will also be consulted wherever necessary. In order, however, to restrict absorption of employees into the State Government under this procedure, it is necessary that only employees who are recruited to various posts in Central Government or other State Governments before Meghalaya became a separate entity, i.e., 2<sup>nd</sup> April, 1970 are considered for this purpose as there was no opportunity for them to join Meghalaya and that such absorption does not take place in respect of employees who are brought over to State Government after 31<sup>st</sup> December, 1975. This will obviate the likelihood of employees being brought over for a long time in future and will be in consonance with the purpose of adequate representation of Garos, otherwise than by direct recruitment, only in the initial period of the State.

**Appointment of Home Guards and Civil Defence Volunteers having three years training to Grade III Grade IV posts under the State Government:**

8.1. Home Guards and Civil Defence Organisations are statutory voluntary organisations raised in the country at the instance of the Government of India to assist Government agencies to meet various contingencies such as maintenance of law and order, essential services during emergency, relief and rescue work in disaster and so on. Members of these organisations are volunteers within the age group 18-50 years drawn from all walks of life and are trained in various discipline to perform their roles effectively.

8.2. The question of giving weightage / preference to Home Guards and Civil Defence volunteers in recruitment to State Government services has been examined and considered by the Government and it has been decided that the Home Guards and Civil Defence volunteers who have rendered at least three years services in the organisation and who are trained in "Basic" and "Refreshers" Course in Home Guards and Civil Defence may be given preference on account of these desirable qualifications for appointment to such Grade III and Grade IV posts under the State Government where training received in Home Guards and Civil Defence is an added advantage for efficient performance of duties in those posts, provided those volunteers fulfil the essential qualifications of age, education and physical standard, etc., laid down for recruitment to these posts. As the Home Guards volunteers are trained in P.T. unarmed combat, crowd control, guard duty, patrolling, map reading, message writing, weapon training, field craft, tactics, lathi drill, law and order duties, fire fighting and rescue, etc and serve as auxilliary to Police and Security forces, their training may be useful in Grade III and Grade IV posts like Constable, Security Guards, Despatch Rider, Peons, Chowkidars, Fireman, Forest Guards, etc. Similarly, the Civil Defence volunteers who are trained in Rescue, Fire Fighting, First Aid and Casualty Care, Nursing, Sanitation and Public Health, Messenger Duty, etc., may be preferred to posts like Nursing Attendant, Stretcher -

	<p>bearer, Medical Attendant, Vaccinator/ Inoculator, Health Visitor, Dresser, Messenger, Despatch Rider and the like.</p> <p>8.3. In view of the period of training and service in the Home Guards and Civil Defence Organisations for at least a period of three years, these volunteers may be allowed an age relaxation not exceeding three years in addition to the normal age relaxation in force.</p>

<p><i>No.PER.287/81/UO/1, dt., 4<sup>th</sup> Nov., 1981</i></p>	<p>8.4 The weightage/preference given to the Home Guards and Civil Defence volunteers in the matter of recruitment to State Government services as mentioned above is not in modification of the existing reservation policy of the Government in the matter of recruitment to State Government posts and services but of giving preference to the Home Guards and Civil Defence volunteers, other things being equal.</p> <p><b>Prior approval of Personnel &amp; A.R. Department necessary in regard to creation / appointment to Group 'A' and above categories of posts / services.</b></p> <p>9. Development Department of Government do not plan well ahead what categories of technical / specialised posts are required by them during the next year. As a result, piece-meal proposals are being received for approval for creation of such posts carrying scales of pay the maximum of which is Rs. 1650/- and above or a fixed pay of Rs. 1650/- and above per month as required under provisio to Rule 10(1)(c) of the Rules of Executive Business of the government of the State of Meghalaya. In order to have an overall assessment and to save time and energy in examining piece-meal proposal for creation of such posts, it is considered disirable that all Administrative Departments should take steps in advance to work out their requirement of those posts during the next year and submit proposals once at a time for creation of the posts as may be required by them. This will also ensure that posts as may be necessary for the year are created with the least possible delay.</p>

19. Block Development Officer is deemed to be the Head of the Office and that all Development Officers deputed to the Block should function under his over all supervision and coordination. However, inspite of the said instructions/clarification it has been brought to the notice of the Government that a tendency has of late since become visible on the part of the Extension Officer attached to Blocks look upon themselves as independent of the Block Development Officers since their transfer, promotion, leave etc., have been left to their concerned parent Departments. While the matter of their transfer, promotion, leave, etc., are as normal rules lies with their parent Departments, it is also necessary that they are to consider themselves as members of the team responsible to the Block Development Officers. The importance of team work in the Block cannot be overemphasised. Both the Block Development Officer as the Controlling Officer of the Block and the Extension Staff have got special responsibilities for proper implementation of schemes in the Block.

19.2. All Administrative Departments/Heads of Departments are to impress upon the Extension Officer and staff in the Block that the Block Development Officers are the Controlling Officers at the Block level and that (Extension staff) should not look upon themselves as independent of the Block Development Officers, but work hand in hand with the Block Development Officers for successful implementation of the Departmental Schemes in the Block.
