

“CM-INSPIRE” (Chief Minister’s - Incentive Scheme for Promotion of Intellectual Readiness & Empowerment) for UPSC CSE Aspirants in Meghalaya

**Government of Meghalaya
Meghalaya Administrative Training Institute-All India Services Pre-Examination Training Centre
Personnel and Administrative Reforms Department**

1. Introduction

The Union Public Service Commission (UPSC) Civil Services Examination is one of the most prestigious and competitive examinations in India. Clearing the Prelims and Mains stages of this examination opens the door to coveted administrative positions across the country. For the last several years, there have been only a handful of candidates who have cleared this exam from the state and the last one to get into the IAS was in the year 2013. Therefore, there has been no candidate from the state getting into IAS for the last 12 years.

Many Indian states have introduced financial incentive schemes to encourage youth to pursue civil services by providing monetary rewards to aspirants who clear various stages of the UPSC exam. States like Tamil Nadu and Manipur have successfully implemented such schemes to motivate aspirants and reduce the financial burden associated with preparation.

This scheme proposes a similar incentive program for the state of Meghalaya, aimed at encouraging meritorious candidates, especially from underrepresented and economically weaker sections, to participate and succeed in the UPSC Civil Services Examination.

2. Objectives

The key objectives of this scheme are:

- To motivate and support candidates from Meghalaya to prepare and qualify the UPSC Civil Services Examination.
- To reduce economic barriers and provide financial assistance at critical stages of the exam.
- To improve representation of Meghalaya's youth in All India Services.
- To promote a culture of excellence, merit, and dedication in public service preparation.
- To recognize and reward the hard work and success of UPSC CSE aspirants.

3. Scheme Details and Incentives

This scheme will provide financial incentives to candidates from Meghalaya who successfully clear the UPSC (Civil Service Exam) Preliminary and Mains Examinations to be held in the year 2026 and thereafter. The incentive structure will be as follows which will be borne from the HoA (08) AISPETC-36-Grants-in-aid General (Non-Salary) :

- Clearing UPSC CSE Prelims: INR 50,000/-
- Clearing UPSC CSE Mains: INR1,00,000/-

These incentive amounts are benchmarked against schemes implemented by states like Tamil Nadu and Manipur, which have demonstrated positive impacts on aspirant motivation and success rates.

4. Reference to Tamil Nadu and Manipur Schemes

The Tamil Nadu government provides financial incentives to candidates clearing UPSC Prelims and Mains. The scheme aims to support aspirants from economically weaker backgrounds by reducing their financial burden during preparation. Incentives are provided in a phased manner to encourage consistent progress. The detailed notification is attached as Annexure A.

Manipur has implemented a similar incentive program that grants monetary rewards to aspirants who clear the UPSC Prelims, Mains, and Interview stages. The state has reported increased motivation among aspirants, better preparation outcomes, and higher participation rates from marginalized communities. Below is the brief summary of the Manipur Incentive Scheme:
